Ewan comes from a background in residential and urban landscape design and construction. He is very much looking forward to giving the best possible service to DeckSeal customers and hopefully getting the same great testimonials as other DeckSeal franchisees.

“After considering franchising for several years, I came across DeckSeal at a franchising expo. After revisiting their website and seeing their positive feedback from customers about DeckSeal services, I thought it was something I’d like to do. And I can’t wait to get started!”

Welcome to new franchisees Jeff and Luke! They will be managing the Newcastle region covering, Newcastle, Charlestown, Shortland, Waratah, Belmont, Warner’s Bay.

Jeff and Luke are carpenters by trade and have in the past built decks, completed many home maintenance jobs and other carpentry work.

They chose DeckSeal because it is their background of trade and found that it hasn’t been explored by other franchises in the area.

The potential for growth with the right marketing and dedication from Jeff and Luke is exciting for them!

With several years’ experience under their belt, they’re excited about starting off as a franchisee with DeckSeal because of how the company supports them as new business owners whilst also giving them an opportunity to be hands on!
